

GET REAL!

There's a lot of **fake** out there. In a culture of manicured online profiles, electronically altered images, and relentless deception in advertising, it's difficult to know who our friends are and who to **trust**. It's too easy to buckle under the pressure and try to become the images we see. We all must seek our own **real identity** from a trustworthy source. *Get Real* teaches campers that we are not created in the image of the popular culture—**we are created in the image of God, who loves us just as we are and asks us to love other in the same way**
