We are excited to have Greg Schwem as the entertainment for our 30 year anniversary event, (www.gregschwem.com).

Greg is a Chicago native, currently living in Downers Grove, and a member of First United Methodist Church.

What sets Greg apart from other entertainers is his ability—and willingness—to customize material for his audience while working within the parameters of the corporate environment – or in our case – ministry environment.

That means no profanity or politically incorrect material. "That's never been a part of my show anyway," Greg recently told a reporter.

Greg Schwem's comedic take on the 21st century workplace and work/life balance has landed him on [SIRIUS Radio](#), [FOX News](#), Comedy Central and the pages of Parents Magazine. More than just a business humorist, Greg is also an author, nationally syndicated humor columnist and award-winning [greeting card writer](#). (Yes, you read that last one correctly!)

What more could you ask for on a Saturday night in November!
Join us for a very fun evening!
