

ignite **Sr. High**  
**Mission Trip**  
 Intent to Participate

I, \_\_\_\_\_ (please print name clearly), plan to participate on the  
 IGNITE DGFUMC **Senior High Mission Trip to Red Lake Reservation, Minnesota** from  
**July 14-21, 2018.**

I agree to abide by the rules of Ignite Youth Group, follow the Safe Sanctuary Guidelines and obey any additional rules put in place by the host Missions Trip Organization. I will respect the Youth Director and any other adult leaders, as well as my fellow campers.

Group Missions Registration: \$464 per person (cost from Group Missions)\*

**\*Deduct \$40 if deposit received by April 30, deduct \$20 if deposit received by May 31**

Through scholarship help & fundraisers, we will work to offset transportation & incidental costs. Further Scholarships are available. Participation in Car Washes, Pancake Breakfast and the In-Tent Ministry can drastically offset the cost.

We will be participating in Group Mission Trips' Workcamp, which is a Home Repair trip. At Workcamps, teenagers come together to serve individuals and communities while building strong, long-lasting relationships with their friends and youth leaders. In six short days, hundreds of teenagers from youth groups across the country repair and transform homes while growing closer to Jesus.

I understand that a \$75.00 deposit is due with this Intent Form and that any remaining balance owed after earned credits have been applied can be paid in installments, with full payment due by June 17, 2018. Scholarships are available for families needing financial assistance. Please contact the Youth Director for details.
