Healing Peter's Mother-in-Law

Read **Luke 4:38-39**. Jesus went to His disciple Peter's house. Peter's mother-in-law was in bed with a high fever. The disciples asked Jesus to help her. Jesus touched Peter's mother-in-law, and at once, the fever went away. Jesus cares about your family too. Always remember to pray for each member of your family. Your prayers make a difference!

What did the disciples do to help Peter's mother-in-law? Use the code to decipher the answer.

He bent over her and commanded the fever to leave,
and it left her. She got up at once and began to serve them. Luke 4:39
