# The Source of Joy

Read **Jeremiah 15:16** and **Psalms 16:11**. Where does joy come from? Can you get it in a bottle or from the store? No, joy comes from one place—God. And, you can get it in a couple of different ways. You can get joy from reading the Bible and putting His Word in your heart. You can also get joy from praying and listening to God speak to your heart. Read your Bible and pray each and every day. Living close to God is the source of joy!

Use the code to decipher what **Philippians 4:4** says we should do concerning joy.
