

The Woman with No Name

When Jesus was visiting a man known as Simon the Leper, a woman came into the house. The Bible does not give her name, but she anointed Jesus with expensive perfume made of nard. That made some of the people who were there angry, but Jesus praised her action and said she would always be remembered for what she did. (Mark 14:3–6)

Directions: Find and circle the hidden words. The remaining letters will tell you what Jesus said about the woman's actions.
