On the night before He died, at the Passover supper, Jesus taught His disciples many things. Jesus told His followers to love each other just like He loved them and to stay close to God after His death, and He promised that He would send the Holy Spirit to comfort them and give them strength and peace.

To find out two important things Jesus told His disciples, change the letters and numbers according to the code in the rectangle and write the correct words on the lines. Do not change letters which are not listed in the rectangle.
