Jesus Chooses Twelve Disciples

As Jesus taught the people God's message, He chose twelve men to be His special helpers. These men were called disciples. They traveled with Jesus. They watched His miracles, they listened to Him preach and they asked Jesus questions. Then Jesus sent them out to teach and preach too. Several of the disciples were fishermen before they began to travel with Jesus.

The names of the twelve disciples are listed below. Can you find and circle them all in the boat puzzle?
